Editor's Corner

Good things happen when you join PMI-Pune Chapter!

Once again, thank you to our member community... Our social Media Presence is increasing dramatically! Your group has increased its membership on facebook from 175 to 275 in one month! That's a whopping 57% growth in one month or 685% growth annualized! This just goes on to show how social media is becoming a media for connecting with the community.

The story with our LinkedIn group is no different. We are 575 strong with a strong disposition towards senior membership from the industry. This is a strong indicator of our relevance to leadership and how industry senior people from our region find it relevant to be our members. A great place to network!

SENIORITY

Our Yahoo Group is going strong at 9600 active members. Your chapter continued the tempo of thematic monthly seminars (more details inside). Incidentally, the season for conferences in India starts with the onset of autumn and then winter. Mumbai Chapter organized its annual conference PM Conclave in November & your very own chapter has started the activities leading up to the grand annual Mega event called [OnTarget-2014](#). More on this inside...

We are happy to be getting comments, feedback and more importantly, contributions from the member community. So keep sending us your thoughts and ideas, and then keep checking back with us!

Rinoo Rajesh is the Vice President, Marketing & Communications at PMI's Pune Chapter and can be reached on marketing@pmipunechapter.org

Good Things Happen When You Join PMI – Pune Chapter!

109th MONTHLY SEMINAR!

PMI Pune Deccan-India Chapter organized its 109th Monthly Seminar on Nov 16th 2013. This seminar was attended for over 80 members / non-members. Seminar was conducted in two sessions.

Session 1 - “PMBOK v4 to v5”

Mr. Shyam Bhavsar, PMP® CISM® Vice President-Development

Speaker Profile-

- Professional with more than 28+ years of experience in the field of Project Management, Information Security, Delivery Management, Risk Management and Network Technology.
- Working with IBM as Leader- ICS West Region for networking business.
- Adaptive Project Management professional with extensive experience in strategic planning, project management, business assessment, process design, knowledge management, technical and financial analysis.
- Project Manager with solid background in leading and mentoring cross functional, geographically diverse teams to successfully complete multiple projects simultaneously.
- More than twelve years experience as Project Manager for IT Infrastructure Project, maintenance of Networking and Infra setup.

- 15+ years of field experience in Electronics gadget manufacturing Fields.

Topic Abstract

- What has changed re: project management fundamentals?
- What Knowledge Area has been added?
- What processes have been added, deleted, or changed?
- What Inputs, Tools and Techniques, and Outputs have changed?
- Where to go for more details about the changes PMI made to the PMBOK®
- How extensive are the changes?

Mr. Shyam Bhavsar provided overall idea of the changes in the PMBOK version 5 as compared to ver. 4. He called out the major changes in the ITTO (input, tools & techniques and output), Planning process and addition of a new knowledge area viz. Project Stakeholder Management. He also discussed the redefinition of the term to align with DIKW (Data, information, knowledge, wisdom) model and redefinition of the data model. He then detailed each knowledge area and the process changes in them. He also gave an idea of number of comments and feedback that were used for version upgrade.

Session 2- Announcements

Mr. Rajarama Rao, Vice President Programs made few announcements related to upcoming events/workshops organized Pune chapter and also about the Mumbai Conclave.

He also announced that *International project Management Month* is being celebrated by the chapter and distributed flowers to all attendees.

Mr. Rahul Sudame talked briefly about the *International Project Management Month* celebrated by PMI worldwide.

It was also announced that chapter is looking for more volunteers to join us to work on OnTarget2014 conference activities.

Session 3- Taking control on Evolving Own Career Path through self-development (Part 2)”

Speaker Background-

Panel Members : Mr. Girish Kelkar, Mr. Rajaram Krishnaswami, Mr. Jayant Damle, Dr. Abhay Kulkarni.

MR. Girish Kelkar

This session focussed on the ways we can leverage different options to take our career growth forward. Following are the intended discussion points for the panel discussion:

- Emphasize why everyone aspiring to make progress in their careers should seriously consider self-development and take control of evolving their own career path

Mr. Jayant Damle

- Create awareness among members on various approaches for self-development to evolve their career path
- Highlight important skills required at various career levels
- Strategies for breaking away from lower career level to higher career level
- Guide members belonging to Junior Management, Middle Management and senior management roles on how they should ideally transition across roles
- Pitfalls of someone having privilege of fast track career advancement (read, people receiving promotions solely due to organizational need of the hour or need for retention)

Mr. Rajaram Krishnaswami

The discussion was done over three rounds, 1. Each speaker talking about why it's important to take control on evolving career path through self-development and opportunities available 2. Each panellist talk about designated discussion point for them 3. Panellists answer questions from co-ordinator and audiences and also discuss on any specific point

Dr. Abhay Kulkarni

Collaboration of PMI Pune Chapter with PMI Memphis, TN, US Chapter

October 28, 2013
6:00 PM to 8:30 PM

FedEx Services Learning Center
920 W Poplar Ave
Collierville, TN 38017

PMI Pune chapter has established MOU with PMI Memphis, TN, USA chapter to collaborate on different aspects which would enhance membership value for both the chapters.

In continuation of this collaboration, Mr. Rahul Sudame of PMI Pune chapter visited Memphis and conducted a session for members of the chapter. He conducted a workshop on 'Agile Innovation Games–Converting Ideas into Action' on 28th October. Sandeep Bhavsar (VP International Outreach) and Rekha Rao (Manager, International Outreach) collaborated with Mr. Kenneth Watkins, President of Memphis chapter to organize this session.

Mr. Rahul Sudame presented Agile Manifesto, Evolution of Agile Methodologies and Agile Innovation Games. Agile Innovation Games are very effective in building collaboration amongst the team members and to get feedback, ideas as well as apprehensions from the team members or customers/end users. Participants enjoyed playing various collaboration games and shared their experiences and views with their peers during the session. Participants appreciated some of the other best practices and challenges of Project Management as well as offshore project development in Indian environment, shared by Mr. Sudame.

Mr. Kenneth Watkins and all other board members of PMI Memphis chapter extended a warm welcome to Mr. Sudame and appreciated the speaker exchange provided by PMI Pune chapter. Rekha Rao of Pune chapter also visited Memphis earlier this year. Gertrude Moeller from Memphis had visited Pune in 2008 to address OnTarget conference. Both the chapters will continue their collaboration to add enhanced value to the membership community of both the chapters.

(From left) Mr. Keith Brewer (VP Professional Development, Memphis), Mr. Rahul Sudame (Pune), Mr. Siddharth Kunche (VP Technology, Memphis), Kenneth Watkins (President, Memphis)

Announcing PMI-Pune Deccan India Chapter's

Annual Project Management Conference

OnTarget 2014

(January 11th 2014 - February 16th 2014)

Dear PMI community members,

Greetings from PMI Pune-Deccan India Chapter! Thank you for being associated with us!

PMI Pune Deccan Chapter is pleased to present the Annual Project Management Conference - A must for Professionals, Entrepreneurs, Academicians!

About the conference

OnTarget is a mega-conference of business leaders, practicing project managers, and senior leaders in government and professional organizations. The theme of this conference is "*Leadership for Effective Project Management*". Seminars, discussions and interviews with eminent industry leaders will focus on impact of project management on achieving and sustaining growth in the organization.

Highlights of the Conference:

Student Track [Gyan Lahari] - 3rd Feb 2014: This track is an initiative towards Student Leadership Competency Development, where importance of discipline and executing day-to-day things in organized manner is conveyed to students of 8th to 10th standard of various schools. Students engage in various competitions like Innovative Project, Debate competition, Essay competition and Quiz which demonstrates their creativity and enthusiasm.

Professional Track [OnTarget] - 16th Feb 2014: [8 PDUs] Many senior managers from the region would participate in this track to discuss the best practices of project management. This main track of the conference is also broadcasted live and attended by large number of participants across the globe. Quiz competition based on Project Management knowledge and Best Paper competitions are also part of this conference.

NLP National Conference - February 15th 2014: [6 PDUs] Neuro-Linguistic Programming is a tool to utilize full potential of your brain. This track would contain series of presentations and actual exercises on utilizing NLP and Huna tool for your self-development and for achieving your goals.

OnCampus Track – January 11th 2014: [6 PDUs] This conference track focus on Academia where the audience will comprise of students and academicians focusing on project management. There will be seminars, discussions and lively competitions tailored to suit the audience and make them ready for becoming successful project managers in the future.

Opportunity is calling-“PMI Champion Program”

A little extra step every day, gives you a big lead from rest of the crowd one day. Such a group of passionate project management professionals, being supported by PMI are working around you for the advocacy of Project Management. They are the ambassadors of PMI called “**PMI-Champions**”. These champions are volunteers of a program called Champion Program, an initiative started by PMI India for promotion & advocacy of Project management

Champions are employees of pioneer organizations from different industry sectors who work on promotion of Project management within the organization. Champions come with experience in diversified range of industry sectors ranging **from Aerospace, Automobile, Manufacturing, Construction, Sourcing-Supply chain, Banking & Finance, Oil & gas, Power, Health & Pharmaceutical and not to miss IT industry.** They are engaged with organizations to bring industry specific expertise in project management and establish PMOs.

Individual project managers are supported by champions in guiding them through the certification progress, building awareness on Best Project Management Practices, PMI Credentials, Maintaining PMI Credentials, Chapter Memberships, and PMI Conferences. You can reach out to a Champion for conducting SME sessions in your organization, for PM lectures in organizations and PM forums or for guidance to carve your project management career.

For more details about Champions program and to get connect to a champion, please refer to <http://www.pmi.org.in/champion-program>.

Further if you have the zeal for volunteering & mettle to be a torchbearer for the profession, you can be a Champion too. Simply log on to the website above and register yourself. Hurry, as quest for next lot of bright professionals for PMI Champion program has already started.

P.S. The writer is Deepak Singh Chauhan, PMP-PMI Champion. You can reach him thru e-mail – dpk.chauhan86@gmail.com

Volunteer For OnTarget 2014 !!!

Please Respond by 29th December, 2014

Mail us to be an Ambassador/ Volunteer for OnTarget 2014 

Interested in being a Volunteer/Ambassador for OnTarget 2014?

Active support from you to make our chapter's biggest annual event – OnTarget 2014 a grand success. Some of the specific action items for supporting the conference are in a volunteer role:

- Collect the [conference A3 flyer](#) from chapter office and put up that flyer on notice board of your organization.
- Request your own organization to provide us a stall/booth in your organization premises in **December, 2013** where our volunteer groups can provide information about the conference to all the employees. Contact Marketing@PmiPuneChapter.org if you need more information on how to go about this activity.
- Volunteer actively for various activities of the conference. Please send an email tocorporate@pmipunechapter.org
- Send the [conference announcement](#) email to all of your colleagues, friends, relatives and all other professional organizations you might be associated with. Encourage them to participate in various tracks of the conference.
- Write article for [paper presentation competition](#) and encourage all of your colleagues to submit articles for this competition.
- Participate in quiz competition and encourage all of your colleagues (and student contacts) also to participate in this competition. Also encourage all the MBA students and their professors, colleges to participate in [UDAAN – Project Ideation & Project Execution Competition](#).
- Share and promote the conference [sponsorship model](#) to the appropriate people in your organization and request them to support this conference.
- If you have any other contacts as potential sponsors or for advertisements for [conference souvenir](#) then please approach them or send us their contact details.
- Tweet or blog about the conference, promote the conference on [LinkedIn](#) and [Facebook](#) through your account.

Looking forward for your support in as many activities as possible from the ones listed above. Let's make this conference a grand success! For details about OnTarget 2014, please visit the conference website:

<http://2014.pmiontarget.org/home/>

Approach your contacts that can help us for the conference or if you have any other suggestions to make conference successful then definitely recommend those. Please send all the suggestions – marketing@pmipunechapter.org

Warm Regards,
Rinoo Rajesh | Vice President - Marketing & Communication | PMI Pune-Deccan India Chapter

Volunteers

PMI Pune chapter is a non-profit professional organization managed by volunteers. All members are encouraged to get involved in Chapter activities as a volunteer and take advantage of the valuable opportunity to learn and grow professionally/personally and at same time earn Professional Development Units (PDU's). Only with continued support from the members, Chapter is able to provide year-round variety of project management related activities. If you are interested in volunteering, please send mail to our Director Volunteer Management: at volunteer@pmipunechapter.org
